Holiday Ordering

Christmas Eve • Christmas Day • New Year’s Eve • New Year’s Day

- **Pre-order required by phone or in person.**
- Online pre-orders are not available for these dates.
- 15-minute pickup slots from 11 AM–8 PM (3–5 orders per slot, depending on order size).
- Popular times (4–6 PM) fill several days to a week early.
- Busy times (2:30–7:30 PM) fill a few days in advance.
- **To secure your preferred time, please consider ordering as early as possible.**
- Same-day orders accepted only if both a time slot and inventory remain.
- Online ordering on the day (website or delivery apps) may open only if space allows.
- Due to our small kitchen, we can accept less than half of total demand on these holidays and often must decline most same-day call-in orders.
- For any order changes, please call one day before, as we prep food specifically for each time slot.
- Please avoid substitutions when possible — substituted orders have a higher chance of errors on busy days and may delay other orders.
